INFORMATION CIRCULAR

as of August 12, 2022 (unless otherwise noted)

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular is furnished to you in connection with the solicitation of proxies by management of Gelum Resources Ltd. (“we”, “us” or the “Company”) for use at the Annual General Meeting (the “Meeting”) of shareholders of the Company to be held on Friday, September 30, 2022, at 9:00 a.m. Pacific Daylight Time at the Company’s office located at Suite 2710 – 200 Granville Street, Vancouver, BC V6C 1S4, and at any adjournment of the Meeting. The Company will conduct its solicitation by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of the Company for this solicitation.

APPOINTMENT OF PROXY HOLDER

The persons named as proxy holders in the enclosed form of proxy are the Company’s directors or officers. As a shareholder, you have the right to appoint a person (who need not be a shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy.

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

VOTING BY PROXY

The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.

The enclosed form of proxy gives the persons named as proxy holders discretionary authority regarding amendments or variations to matters identified in the Notice of Meeting

and any other matter that may properly come before the Meeting. As of the date of this Information Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgement.

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an “X” in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. **In that case, the proxy holders nominated by management will vote the shares represented by your proxy in accordance with their judgment.**

RETURN OF PROXY

You must deliver the completed form of proxy to the office of the Company’s registrar and transfer agent, Endeavor Trust Corporation, 702 – 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, FACSIMILE 604-559-8908, by fax, hand or by mail or to the Company’s head office at the address listed on the cover page of this Information Circular, not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the scheduled time of the Meeting or any adjournment.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are “non-registered” shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a “**Nominee**”). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as “NOBOs”. Those non-registered Holders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as “OBOs”.

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Information Circular, and the form of proxy directly to NOBOs and to the Nominees for onward distribution to OBOs. **The Company does not intend to pay for a Nominee to deliver to OBOs, therefore an OBO will not receive the materials unless the OBO’s Nominee assumes the costs of delivery.**

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting Materials sent to non-registered holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “**VIF**”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIFs, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the Shares which they beneficially own. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.** Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

REVOCATION OF PROXY

If you are a registered shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) signing a proxy bearing a later date; or
- (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company's registrar and transfer agent or to the Company's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a non-registered shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

NOTICE AND ACCESS

Effective February 11, 2013, the Canadian Securities Administrators adopted regulatory amendments to securities laws governing the delivery of proxy-related materials by public companies. As a result, public companies are now permitted to advise their shareholders of the availability of all proxy-related materials on an easily accessible website, rather than mailing physical copies of the materials.

The Company has elected to use the "notice and access" provisions under National Instrument 54-101 for the Meeting and has decided to deliver the Meeting Materials to shareholders by posting the Meeting Materials on its website (www.wealthminerals.com). The Meeting Materials will be available on the Company's website as of August 31, 2022 and will remain on the website for one full year thereafter. The Meeting Materials will also be available on SEDAR at www.sedar.com as of August 31, 2022.

Oversight and Description of Director and Named Executive Officer Compensation

Director compensation

The Board determines director compensation from time to time. Directors are not generally compensated in their capacities as such but the Company may, from time to time, grant to its directors incentive stock options to purchase common shares in the capital of the Company pursuant to the terms of the Stock Option Plan and in accordance with the policies of the Canadian Securities Exchange.

During the financial year ended April 30, 2020, no stock options were granted to directors.

Named Executive Officer Compensation

The Board will determine executive compensation from time to time. The Company does not have a formal compensation policy. The main objectives the Company hopes to achieve through its compensation are to attract and retain executives critical to the Company's success, who will be key in helping the Company achieve its corporate objectives and increase shareholder value. The Company looks at industry standards when compensating its executive officers. Because the Company was effectively dormant while it is reactivating its affairs, no compensation was paid.

During the financial year ended April 30, 2021 and 2022, Mr. Kopple's compensation as Interim President and acting in the capacity of interim CEO was nil. Mr. Kopple subsequently resigned as President & Interim CEO on July 12, 2021.

During the financial year ended April 30, 2021, Mr. Brohman's compensation as CFO was \$10,500.

During the financial year ended April 30, 2022, Mr. Smith's compensation as President was \$90,000.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Company has an incentive stock option plan under which stock options are granted. Stock options have been determined by the Company's directors and are only granted in compliance with applicable laws and regulatory policy. The policies of the Canadian Securities Exchange limit the granting of stock options to employees, officers, directors and consultants of the Company and provide limits on the length of term, number and exercise price of such options.

The following table sets out equity compensation plan information as at the end of the financial years ended April 30, 2021 and 2022.

Plan Category	Number of securities to be issued upon exercise of outstanding options ⁽¹⁾	Weighted-average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) ⁽²⁾

Since the commencement of the Company's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Certain Exemptions

Since the commencement of the Company's most recently completed financial year, the Company has not relied on the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit), the exemption in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*), the exemption in subsection 6.1.1(5) (*Events Outside of Control of Member*), or an exemption from NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

The Company has relied on the exemption in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) to be exempt from the requirement in subsection 6.1.1(3) which requires a majority of the members of an audit committee of a venture issuer to not be executive officers, employees or control persons of the venture issuer or of an affiliate of the venture issuer. However, the Company remains offside NI 52-110 as it only has 2 members on its Audit Committee. The Company is in the process of appointing a third member to the Audit Committee, in light of past resignations, to satisfy the composition of the Audit Committee requirement in subsection 6.1.1(3).

Pre-Approval Policies and Procedures

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services.
